

## AV BOXES

### FLOOR

## CUBOID

- **Cable exit** on one side allowing a complete closure of the box when not in use.
- **Full customization of the box** in terms of connectors, texts, logos and colour, allowing full integration with the aesthetics of the room.
- **Designed and manufactured by Pinanson S.L. in Spain**

## Applications

- Rooms **with space problems** to install a connection box like **wall, floor...**
- **Rooms where to have access to video, audio, data and power connections in a box recessed in the floor is required**
- Facilities in which **keeping the boxes integrated with the decoration** of the room as well as high durability are important factors.

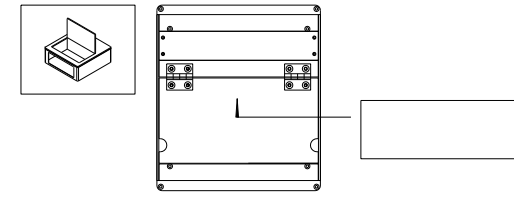

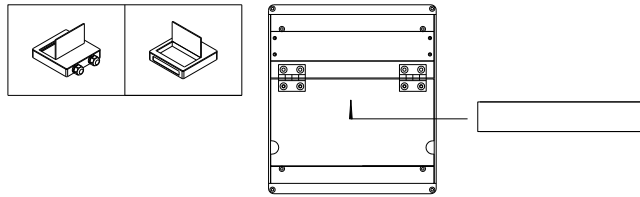

## Special Characteristics

- Allows **parallel connection** to the floor, saving the space of the connector and the cable twist.
- Hole in the lid to **open comfortably** with the finger.
- **Robust finish** that respects the **aesthetics** of the room.
- **Easy installation**, screwable and **easy wiring of the connectors**.
- **Custom manufacturing**: connectors, color, according to the room aesthetics, texts, logos.
